# Fence Anaig

Fence - Fresk

With its Fresk Concept, Kostum lets you express your style and decorate your outdoor spaces with designs integrated into your fences. Anaig fencing panels, with their slightly offset design relative to the post, allow you to integrate a design onto one or more fencing panels as a signature feature. A way to customise your outdoor space while remaining hidden from view. You can choose from 50 designs and over 300 colours. Two-tone finish at no additional cost!
